

Hip #245, WICKEDLY PERFECT, three-year-old gray or roan filly, by Congrats—Wickedly Wise, by Tactical Cat

“She’s gorgeous and obviously what you would want in a broodmare, a top-class racehorse and she’s by the leading freshman sire. Between her and Ave (GB), I’d say it’s been about 50-50 between Europeans and Americans, and if they look at one, they’re looking at the other, so I’m optimistic. There’s definitely been enough traffic for us to be positive about the kind of results we’re going to expect.”

Guinness McFadden, sales director for Three Chimneys Sales, agent, describing the 2010 winner of the Darley Alcibiades Stakes (G1) at Keeneland Race Course and Sorrento Stakes (G3) at Del Mar. Following the Alcibiades, *Wickedly Perfect* underwent surgery to remove a bone chip from her knee
